

Washington, D.C. 20505

17 November 1982

25X1 MEMORANDUM FOR: [REDACTED]
25X1 FROM : [REDACTED]
SA/DCI/IA
SUBJECT : DCI Analysis of Soviet Reactions to
MX/CSB

1. Attached is a copy of the DCI's Talking Points which contain a summary of CIA's assessment of possible Soviet reactions to the deployment of MX/CSB. This is in response to Secretary Weinberger's request to the DDCI last Friday for his thoughts on how and when the Soviets could react.

2. I am sending via courier a longer technical assessment which is the basis for these Talking Points. You should have that by early afternoon.
